- Attached is a record of veterinarian treatment or medication received by the dog or cat while in the possession of the pet trader.

Veterinarian Treatment - For Vet Signature:

I certify that I have performed a careful physical examination of the above-described dog or cat and, based on today's examination, it has no known disease or illness, and it has no known congenital or hereditary condition that adversely affects the health of the dog or cat at the time of the exchange or that is likely to adversely affect its health in the future.

I certify that I have on this date performed a careful physical examination of the above-described dog or cat and, based on today's examination, it has a known disease, or illness, or congenital or hereditary condition that adversely affects its health, or that is likely to adversely affect its health in the future. Please attach details.

I have tested the microchip and it is working.

Microchip #: _____

Be aware that not all hereditary conditions can be detected by a physical examination, especially when the examination is done on immature animals.
